GENERAL COMMENTS / INSTRUCTIONS

Regular service was completed. No service on bait stations this visit due to heavy rain. Interior traps were serviced and no rodent activity observed and replaced glue boards as needed. Some units missing.

Production areas were overall clean and organized. Whse was overall clean and all doors were closed. Break room and bathrooms and offices were clean. Landscaping was well maintained. Also observed 2 man doors were open during service. Try to keep all doors closed when not in use. Thank you for choosing Clarkpest
